Thanks for forwarding. In this time of heightened attention to written communication, I would like to see these before they go to Romell for BBW/Dave review. Staff meeting tlk points cc: is fine. But I'd like a chance to see written materials for Ken before they go up the line. I'll try my best not to be a roadblock.

Hi Don,
See Romell's note below.
Dick Pederson of OR is ECOS President. I don't know that he will raise the OR CZARA issue with Ken in a sidebar but we should assume so and prepare Ken with a backgrounder on OR CZARA.
Please limit to one page, and send to me by mid-day Tuesday.

Thanks,
Lynda

I actually don't know that this will be all that helpful for the exercise described below, but in case it can be helpful, I have

attached the ECOS meeting agenda here.

Subject: by noon on Sept. 10: OW request - background on items that Ken may be asked about at Sept. 15-17 ECOS meeting

I know this is sort of a speculative request, but...Ken has requested that the program offices inform him about items of interest that we think he might be asked about at the ECOS meeting on September 15-17. He wants to be prepared for any questions that might come his way.

I know that might be difficult because he is asking us to speculate on what might come up, but...do your best.

Please send this information to me by noon on Sept. 10. I need the name of the topic that you think might reasonably come up at the ECOS meeting, and provide some brief background on that topic in bullet form. No more than half a page per topic if possible.

Wetlands – don't worry about WOUS or Bristol Bay. I am assuming he has whatever he needs on those topics.

Thanks.
